JOB ANNOUNCEMENT

Post: **Senior Software Developer**

B-ONLINE Ltd is a private IT Company based in Kigali/Rwanda registered by Rwanda Development Board with the registration number of **107076789**. The company provides services to different business areas in Rwanda and beyond where it implements in-house products as well as customer's needs to convert them into viable solutions.

We maintained our focus on solving people's challenges since our founding in 2017. We adopted agile methodology for quick delivery, we use our internal tools such as IWP (Internal Working Procedure) to keep customers' happiness.

What you will do:

- ✓ Design, develop, test, deploy, maintain and continuously improve the software.
- ✓ You will develop effective communication channels between various teams – technical and non-technical
- ✓ You will be expected to collaborate with the product team to deliver new and exciting products to market
- ✓ You will be responsible for code reviews as well as providing mentorship for the junior team
- ✓ You will evaluate and conduct interviews for candidates in our hiring pipeline

You will be a great fit if:

- ✓ You have demonstrable knowledge in building web services at scale.
- ✓ You have a deep understanding of web technologies from the protocol level up through the stack.
- ✓ You have a strong notion of industry best practices.
- ✓ You are experienced in Java / Spring Framework.
- ✓ You have over 5 years of experience with at least 2 of them working in a tech leadership role.
- ✓ You have proven strong leadership and team coordination skills and have displayed a high level of innovativeness in dealing with challenges.
- ✓ Have a BS degree in Computer Science, a similar technical field of study, or equivalent practical experience.
